We continued to provide individual consultation and community workshops and disseminate Caring Conversations resources. The Center trains providers at various stages of development of the Transportable Physician Orders for Patient Preferences (TPOPP), a bi-state initiative of a national voluntary POLST program. This program seeks to better align treatment plans with goals and values of patients. The growing widespread adoption of Zoom and private broadcasting resulted in significant growth of our audience for our webinars and other educational resources.

The Center establishes norms that address issues of justice, equity, diversity and inclusion by dealing with real-world concerns through programs and services supported by principles and core values guided by equity and justice.
